

Getting started with Kindle® Fire devices

You can use OverDrive's mobile app to borrow and enjoy eBooks and audiobooks from your library on your Kindle Fire or Fire HD.

Step 1

Download our app, OverDrive Media Console (OMC), from one of the following:

- [Google Play](#)
- <http://omc.overdrive.com/kindle>

Step 2

Open OMC and find your OverDrive library website. In newer versions of the app, you can do this by swiping from left to right to open the **Home menu**, then tapping **Add a library**. In older versions of the app, tap the  icon (or, if you don't have this icon, go to *Menu > Get Books*).

- Tap the star to save your library's website to your library list.
- Tap your library's name to start browsing.

Step 3

Log into your library's OverDrive-powered website with your library card and borrow a book.

Step 4

Find borrowed books under your account on your library website. You can:

- Download EPUB eBooks* and MP3 audiobooks directly to OMC.
- Select **Kindle Book** (U.S. only) to complete checkout on Amazon's website and send the book to your Kindle.
- Select **Read** to open and read OverDrive Read eBooks right in your browser. For the best reading experience, turn off Accelerate page loading.

***Note:** To read eBooks in OMC, follow the prompts to authorize your device with an Adobe ID. It's a one-time, free process that takes just moments to complete.
